

JUSTINEHENIN ACADEMY

TENNIS & ACADEMICS PROGRAM

The Tennis & Academics program is designed for players who want to benefit from a complete tennis and physical training, combined with a strong academic program. Players take part in 12 hours of weekly tennis and fitness sessions while following the academic program in our partner school, St. John's International School.

The Tennis & Academics program is available from September to June but the places for it are limited.

JUSTINEHENIN ACADEMY

JUSTINE HENIN TENNIS ACADEMY

The Justine Henin Academy welcomes students who have a serious determination for personal development and sports. They should be totally committed to this one and ready to work hard to achieve their goal.

The Tennis & Academics program, boarding and non-boarding, are offered from 1st September to 30th June with the possibility of extending it during the vacations. There are limited spaces available.

Most of the Justine Henin Academy players are aged 12 to 18. A team consisting of a fitness coach, a trainer and tennis coaches work together, with individualized programs. The Academy also organizes tour travel with coaches around the world to play international tournaments (Tennis Europe 14, Tennis Europe 16, ITF Juniors).

Since 2009, players from the Justine Henin Tennis Academy have won 4 Single Junior Grand Slam titles, reached 3 finales Single Junior Grand Slam, won 6 Double Junior titles, reached the place of No. 1 junior in the world and World Junior Champion.

Since 2009, great champions like Anna CHAKVETADZE, Daniela HANTUCHOVA, Yanina WICKMAYER, Elina SVITOLINA, Lesia TSURENKO, Stéphane ROBERT, Ruben BEMELMANS, Mirza BASIC have trained at the Justine Henin Academy to take advantage of the facilities and experience of coaches.

ST. JOHN'S INTERNATIONAL SCHOOL

ST. JOHN'S INTERNATIONAL SCHOOL is located at 30 km from the Justine Henin Tennis Academy (26 min. by car). Transport between the school and the academy is arranged by the Justine Henin Academy. St. John's international school provides an English language education.

PHILOSOPHY

More than 700 students from 55 countries attend St. John's in the Pre-K through grade 12 structure. They engage enthusiastically with their teacher mentors on a curriculum based on the St. John's Paradigm. More than 80% of the graduates achieve the International Baccalaureate (IB) diploma with excellent results. Based on the tradition of excellent IB Diploma results and exceptional college placements, it is evident that St. John's graduates are well-placed to live our vision of impacting our world.

Co-curricular programs are a vital part of the St. John's educational experience. Our arts and athletics activities are consistently regarded among the finest in Europe. All St. John's students have the opportunity to develop their creative abilities in the art studio as well as in the superb Performing Arts Center, which includes a 400-seat theatre and reception area, dance studio, choir, orchestra, music and practice rooms. For the budding athletes, the St. John's Lions sports teams involve students from 6th grade in more than 12 sports, with the high school teams consistently well-placed in the International School Sports Tournament (ISSTs) at the end of each season. There are further opportunities for students in Model United Nations (MUN), Model NATO, the International Awards program, maths and science competitions, economics programs, clubs, field trips and so much more. In this way, the students learn to engage, grow, help and serve others.
